

Overview

Fleetwood was contracted by Victoria Police Academy to deliver multiple structures for one of its administration facilities. The buildings included several office areas, amenities facilities, compliant ramps for easy access, outdoor seating options and kitchen services for new recruits and staff.

Solution

Fleetwood's role was to deliver a full turnkey solution which specifically included:

- Design and Construct
- Program Management
- Traffic Management

The project was dependent on the collaborative relationship between the relevant stakeholders working with the Fleetwood operational team to coordinate the delivery program within the tight time frames.

Benefits

The collaborative approach between all stakeholders ensured the objective of a fully functional, modern and high quality facility was delivered on time. The modular solution required minimal time on site and allowed for a smooth transition for all involved.
