

THE JARRAH

The modern and practical design of the Jarrah seamlessly integrates the lounge/dining areas with the galley style kitchen to create a spacious open plan living area.

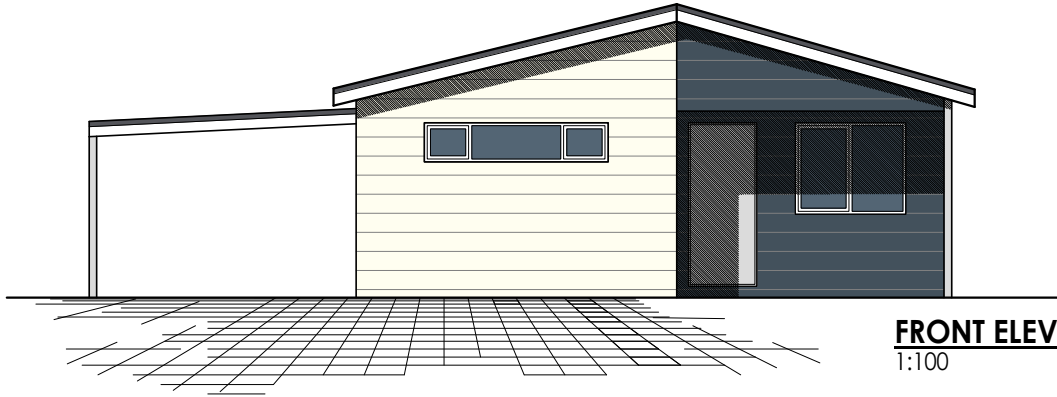

Positioned at the front of the home is the master bedroom with a large built-in robe and a full-size bathroom adjacent.

The laundry and separate WC are conveniently located in the centre of the home and offer access to the garden and outdoor areas.

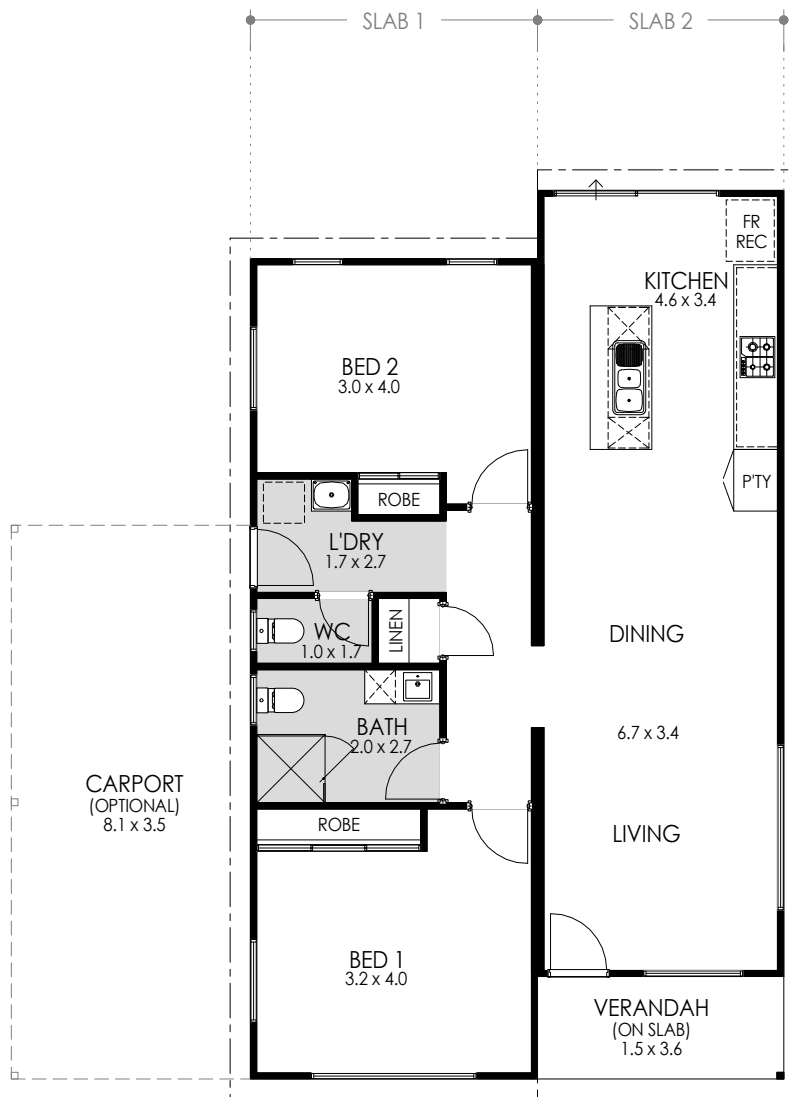

The Jarrah's abundance of natural light and gable roof with verandah complement the classic styling of the Jarrah's exterior.
