

THE MARRI

3 

1.5 

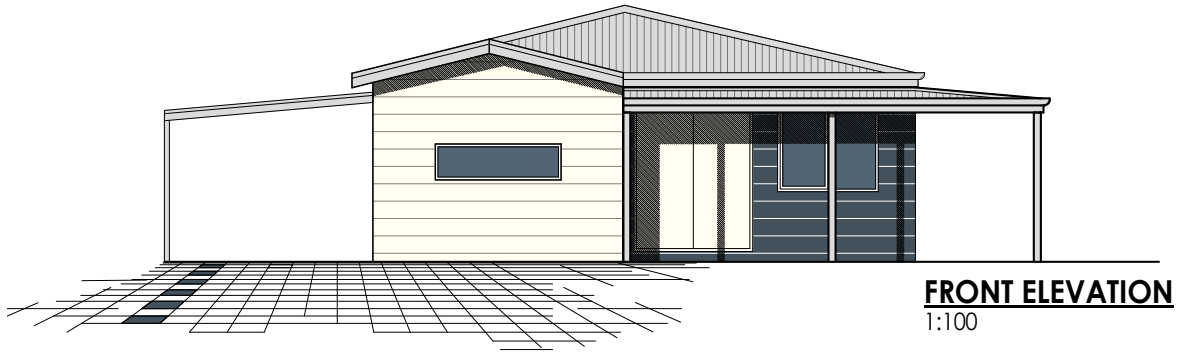

The Marri's distinctive style and ample living areas make this home both comfortable and functional.

The master and second bedrooms are adjacent to a full-size bathroom. The third bedroom would make an ideal study space if not in use as a guest bedroom.

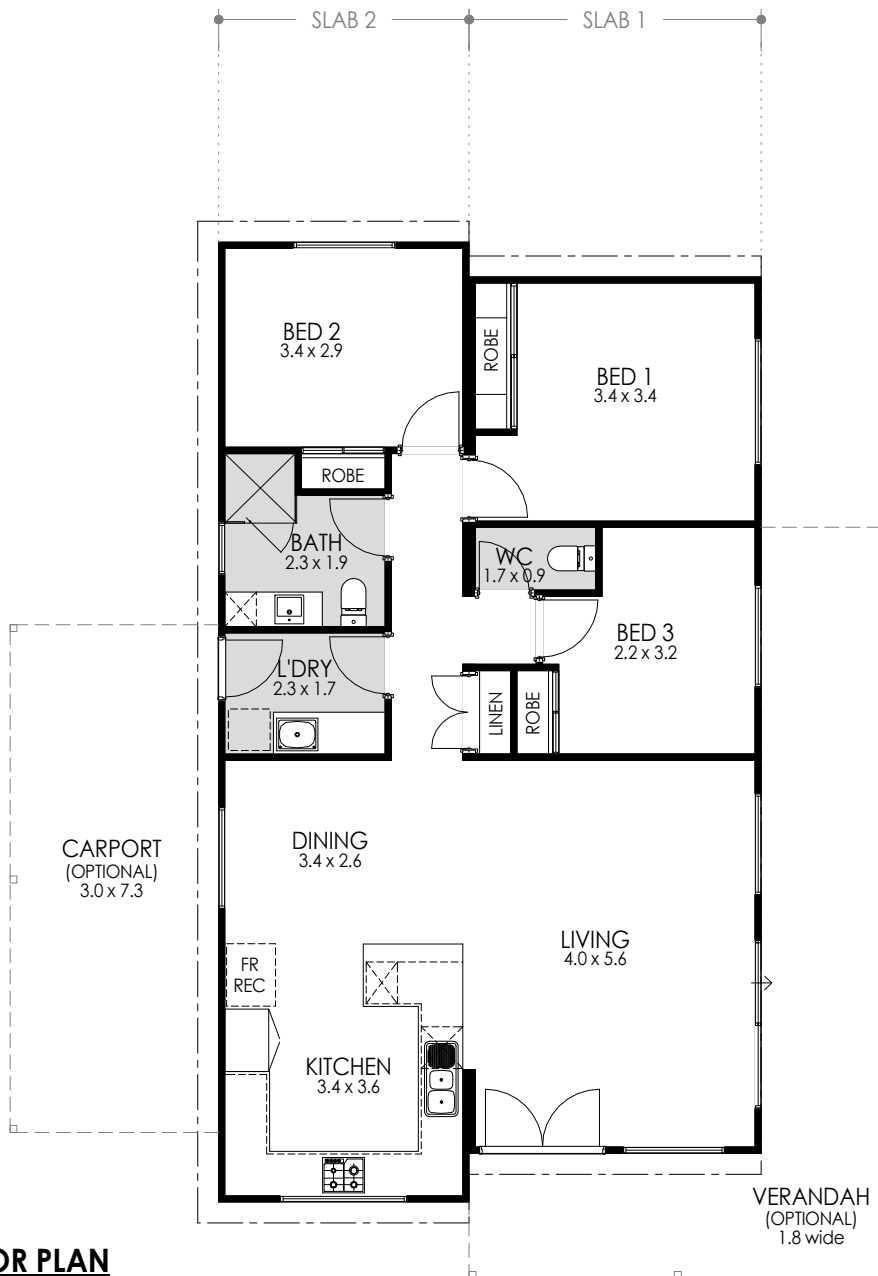

The laundry is conveniently located in the centre of the home and offers direct access to the carport area.

The colonial wrap around verandah and gable roof complement the charming characteristics of the Marri's country style.
