Client The Axian Group and Hansen Yuncken

Project Rules Club Wagga Hotel

Timeline 20 weeks

Value \$6 million

Overview

Fleetwood Australia was engaged to consult, design, manufacture and install a new three-storey, 75 room, four-star hotel for the Choice Hotel Group.

Solution

Fleetwood Australia worked closely with the client, consultants and suppliers to meet BCA and certifier requirements during the design phase to ensure a smooth interface with the site works component of the project.

Benefits

- Working closely with all stakeholders and local community to ensure a successful on-time and on-budget project delivery with minimal disruption to the site and broader community town centre.
- Fleetwood Australia's ability to design and construct a highly-specified, high quality, four-storey hotel.
